				By the end of our project we will know that	
				<p>We see signs and symbols all around us in everyday life. Religions have their own signs and symbols and ways of expressing religious meaning. Christians have a cross to show that Jesus died on the cross. They do the sign of the cross before they pray. Muslims have a different symbol, a star and crescent. They attend mosques and express their religion by going to mosques and praying on prayer mats which face Mecca. Muslims pray to Allah.</p>
